**COVER LETTER**

Sir:

Electronically submitted herewith is an Information Disclosure Statement (IDS). This IDS is a replacement for a similar IDS submitted earlier today in connection with a Request for Continued Examination (RCE) in the above-identified patent application. A signature was inadvertently omitted from the earlier-submitted IDS. PLEASE CLOSE THE EARLIER SUBMITTED IDS and replace it with the current IDS for the RCE submission.

The earlier RCE and IDS submission was accorded EFS ID 1687909 and Confirmation Number 4105. Please do not hesitate to contact me if you have any questions.

Respectfully Submitted,
